

Ankita Das

PhD Research Scholar in Mathematics · SRM University AP

RESEARCH INTERESTS

Algebraic Number Theory; Algebraic Geometry; Diophantine Equations; Superelliptic Curves; Jacobian Varieties.

EDUCATION

PhD in Mathematics — SRM University AP, 2025–present.

Doctoral coursework — IISER Thiruvananthapuram, 2024–2025.

SELECTED PUBLICATION

Generalized fruit Diophantine equation and super elliptic curves — Ankita Das, Kalyan Banerjee, and Kalyan Chakraborty, 2026.

CURRENT RESEARCH

Solvability of superelliptic curves in the ring of integers, with emphasis on Jacobians, torsion, reduction, and Nagell–Lutz-type phenomena.
